79 - Summary

- 55 - Counties are interested
- 24 - Counties are outstanding with a response
- 0 - Counties have not flat out said No.

In the matrix, the counties with a 1 in front of them have acknowledged interest with hosting a temporary office for DPS to issue EIC for voters without a photo ID. Also, I have highlighted counties in which there is a temporary DPS office set-up already in the county with contact information if available for that office.
